

## MOUNTAIN HERITAGE PRESCHOOL

The Mountain Heritage Preschool recently took a trip to the Apple Orchard at Altapass on the Blue Ridge Parkway. The children learned how apples are grown, saw different varieties of apples, and learned what apples are used for. The trip was at the end of our week of learning all about apples.

Mountain Heritage Preschool is a Five Star Center located at Mountain Heritage High School. Our center offers full time and part time positions at the cost of \$70.00 a week. We are now taking application and have positions available. The phone number is 678-5235.
