Mountain Heritage	19	17	17	19	72

Mountain Heritage opened its 2009-2010 home basketball season Tuesday night with an impressive 72-48 victory over Asheville High School. AHS raced out to a 12-2 lead to open the game, but Mountain Heritage settled down and took control of the game and never looked back. Mountain Heritage built the lead each quarter and then broke the game wide open in the fourth quarter with strong execution and running of the floor at both ends. John Cannon paced Mountain Heritage with 23 points, including 14 in the first half. Cannon's shooting in the first paced the team to shoot 62.5% of their two point field goal attempts in the first half. Although their shooting cooled some in the second half, the team still managed to make 58.7% of their two point shots for the entire game. Alex Biggerstaff had another strong scoring game, chipping in 21 points to be right behind Cannon. Both teams did a good job protecting the ball with Mountain Heritage seeing a full court press from Asheville most of the night. Mountain Heritage upped their season record to 2-0. The next scheduled game will be next week due to the rescheduling of the Reynolds game as well as the game against Christ School.
