The Mountain Heritage Cougars were hitting on all cylinders Tuesday night as they defeated Mitchell 82-39. The Cougars, similar to their game against the Mountaineers at home earlier in the season, raced out to an early lead. However, Mitchell closed the gap to eight points in the second quarter and it appeared for awhile it would be close all night. However, Heritage pulled away before the end of the first half and were never threatened the rest of the night. John Cannon again led the way with 21 points and the Cougars got an excellent shooting game from senior Austin Swann who connected for 17. Steven Wilson also added 13 for Heritage. Once again it was a total team effort and the game also saw an aggressive attacking defense that caused 22 turnovers and several incredible assists where once again the Cougars made the extra pass to set up a teammate who had a better shot. Heritage also did a better job protecting the ball themselves which led to better shots and a better job running their offense. The Cougars upped their record (13-2, 9-0) as they head for the final week of regular season play.
