Mountain Heritage used a stingy defense and several scoring spurts to beat Owen 51-29 Thursday night. John Cannon set the tone for the defense in the first quarter by blocking five shots, which affected the War Horses the rest of the night. The Cougars also maintained their patience as Owen was very deliberate in their offensive sets in an attempt to work for a good shot and keep the ball away from the Heritage offense. This strategy by the War Horses worked well as they got many good looks at the basket but the presence of Cannon in the lane affected their shots the entire night. Heritage finally built a working lead in the second guarter and added to it for the rest of the game. Cannon led all scorers with 15 and Steven Wilson added 14 for the Cougars. The game also marked Senior Night and five seniors - Ben Badgley, Trevin Miller, Jacob Neill, Austin Swann, and Wilson were recognized before the game for their careers. During their time at Mountain Heritage, they have been members and key personnel on two JV teams (including the 2007-2008 undefeated and Conference Championship Team) and three varsity squads including this years regular season champions and last season's Western Highland Conference Tournament Champions. This season, they have all been important members of this team and their contributions don't always show up in the box score or game statistics. Their experience and leadership will be called on one more time as Heritage enters the WHC Conference Tournament and State Playoffs. The win upped the Cougars overall record to 16-2 and 13-0 in the conference. The conference regular season ends Friday night at Hendersonville who is very talented and is expected to be a tough game in front of their fans. The Western Highlands Conference Tournament for the men starts Tuesday and the Cougars start their attempt to repeat at 4:00 at Owen High School.
